In Memory of Jammy Thomas 1963-1974

We, the Class of 1981, would like to fondly express our remembrance of Jammy Thomas.

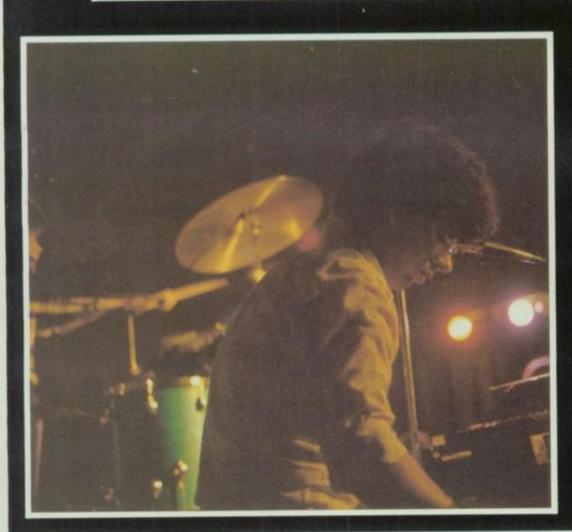

Although her departure saddened the hearts of many, there will always be a wind of proud remembrance blowing through our hearts for her.

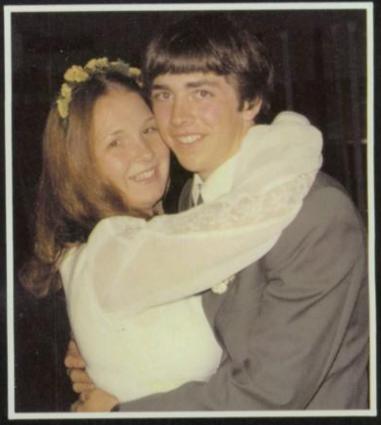

To those who never knew Jammy, she portrayed only innocent visions of life, and made reality a more distant daydream than ever possible.

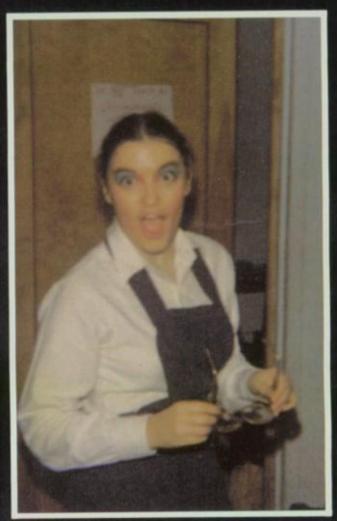

Though we only have the unforgettable memories of our fellow classmate, we will always cherish those great moments of sharing our lives with her, and the honor of being there to create those great memories.

Mr. Walt Paul

Mr. Richard Kelly Superintendent of Schools

" It is with pleasure that I share a few personal thoughts with the Class of 1981, speaking as an educator, school-community resident, parent and foremost as a close associate of the class.

Climbing the academic ladder during the past thirteen years with each rung proving to be more complex and sophisticated, has provided you with the basic foundation as you prepare to leave C.P.C.S. to pursue collegiate training, employment, military service, etc.

Frequently you will look back at those many memorable

experiences and associations while at C.P.C.S.

The trials, tribulations and successes in life will continue as time marches on, but always remember that we learn from our mistakes as we continue to develop our skills, personalities and lives as a whole.

Congratulations Class of 1981."

Mr. Norman Whyte High School Principal

"It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and in only a few moments you will be members of the community looking back on the years you spent at Colton-Pierrepont Central School. When you do, the photos, facts and memories in this book will be your stepping stones to happy reminiscences.

May your memories of Colton-Pierrepont Central School be pleasant ones, and may your futures be filled with happiness

and success.

With every wish for a bright tomorrow."

Mrs. Theresa O'Gorman Elementary Principal

"Believe in your own importance. Value your ability to shape the world through your efforts to strengthen the family, the community, and the nation.

You will grow older and wiser eventually taking our places, your mothers and fathers, teachers, and administrators.

You are our brightest hope. We will be here to help you meet the challenge before you.

Good Luck!"
